## Jeph Maystruck, Strategy Lab

Hi I'm Jeph, I really don't like the status quo, I give out lottery tickets daily, and I work at a company called Strategy Lab. Over the years we've had the pleasure to be a part of things like Big Idea Camp, The Honest Conference, Creators Club, and Build Love. Other than "Stratlab" I coached volleyball for years, and have taught Marketing, Entrepreneurship and Social Media at Sask Polytechnic and the University of Regina, but lately have been spending a lot of time with this girl, my two year old and I are pretty good friends. I love to inspire people to look at the world of marketing and social media through a different lens. Marketing is my life.
