YOUR COACH

Bill Hinsley

With PSMJ, Bill Hinsley has trained thousands of A/E/C professionals across the globe. Bill formerly served as a Senior Management Analyst for two governors' commissions and the Associate Vice President of renowned international firms, ARCADIS and Atkins, where he spearheaded \$1 million to \$11 billion projects. He has had success in many different areas including business development, leadership training, branch office optimization, and strategic planning and growth. He is experienced in the coordination and direct opening of multiple regional offices, the M&A of branch offices, and decision-making in determining the future success of a branch office. Bill had the unique experience of opening a branch office on his own at just 29 years old.

As a National Director, Bill pioneered a successful \$30 million business development plan. With this multi-million dollar strategy, Bill took risks – breaking into new services and attracting new clients – and as the client development lead on the project, the buck (all \$30 million of it) proverbially and literally stopped with him.
