BONUS REASON:

You get dozens of real-world strategies guaranteed to take your firm to new levels of revenue, profit, and client satisfaction.

YOUR COACH

Duane Lindner, P.Eng., ENV SP

Duane Lindner, P.Eng., ENV SP has been actively engaged in the consulting engineering industry for over 25 years, having worked for several firms of varying sizes and disciplines. He is a senior Project Manager for Associated Engineering in Ontario, Canada, where he built a successful branch office in new geographic territory from the ground up. More recently, he has handed off his management roles to focus purely on his passion: project delivery.

Duane has served as Project Manager and Lead Engineer for many civil engineering projects relating to public infrastructure as well as both commercial and residential developments. He is a two-time recipient of the Consulting Engineers of Ontario "Award of Excellence" for Project Management on complex projects. He is a steward of environmental protection; actively promoting sustainable design to address the need for climate change adaptation and building resiliency through his role in delivering public infrastructure projects.

Duane has a bachelor's degree in civil engineering from the University of Waterloo, and is a registered professional engineer.

WHAT TO EXPECT

Want to manage A/E/C projects with complete confidence, keeping multiple stakeholders happy, driving new business to your firm, and consistently coming in on budget and on time? This power-packed workshop combines PSMJ's legendary A/E practice knowledge built over 40 years with proven new methods driving superior PM performance at firms just like yours.

ACTIVE: You won't sit and listen to an instructor for 2 days. This program keeps you engaged and stimulated with expert facilitators committed to interactivity and inclusive discussions.

GROUNDING: You won't be tuned off by impractical project management tips. Rather, you'll get to hear real-world case studies that show what's working—and what isn't—in bringing projects in on time and budget.

CONFIDENCE BUILDING: In two days, we guarantee you'll have renewed confidence to take on any project, crush any project goal, and manage any challenge that clients, contractors, and suppliers throw your way.

Over 44,000 A/E/C professionals have chosen PSMJ's A/E/C Project Management Bootcamp for training, from newly-minted Project Managers ready to learn the ropes all the way up to experienced leaders seeking continuous improvement. It's the industry-leading program that delivers a 10X multiple ROI by making PMs more valuable to their firms and their firms' clients.
