

Young Professionals Group

Presents

ACEC-SK Young Professional Leadership Series

Featuring

Lawrence Pinter, P.Eng.

CEO & President, PINTER & Associates Ltd

Health and Safety Leadership

Tuesday, April 20, 2021

12:00 PM - 1:00 PM

Lawrence Pinter is a geoenvironmental engineer with over 30 years of experience in the engineering consulting field. In 1998, Lawrence started PINTER & Associates Ltd., a company that has grown to employ over 25 dedicated full time employees.

Over the years, Lawrence has held volunteer positions with various organizations and in 2018 he was honoured with the ACEC-SK Mentorship Award. In his free time, Lawrence enjoys woodturning in his shop and spending time with his wife and three children.

Open to all Young Professionals and Students

Speakers' Bios

Leon Botham, MSCE, P.Eng.

Principal Engineer, NewFields

February 23, 2021

Leon C. Botham is a Senior Geotechnical Engineer with over 25 years of experience specializing in the field of Mine Waste Management and the design and construction of other mine infrastructure. Leon has worked across Canada and globally. In addition, he has extensive management experience and is a proven team builder that has directed multi-disciplinary teams of engineers, scientists and social scientists to meet the diverse needs of clients.

Leon is a registered professional engineer in Saskatchewan, Ontario, British Columbia, Yukon and Northwest Territories & Nunavut. He has previously been elected Chairman of the Board of the Consulting Engineers of Saskatchewan and Chairman of the Board of the Association of Canadian Engineering Companies. He is a Past-President of the Association of Professional Engineers & Geoscientists of Saskatchewan. He is currently Chairman of the Board of Directors of Pinehouse Business North, which is the economic development agency for the Northern Village of Pinehouse in Saskatchewan. He possesses a Masters Degree in Civil Engineering.

Stormy Holmes, P.Eng., FEC

Project Engineer, AECOM

March 23, 2021

Stormy brings over 25 years of engineering experience to bear on her thoughts about Differences Build Strength. She has worked in the private and public sectors in various roles and through her volunteer experience has been Chair of ACEC-SK and President of APEGS. Through these experiences she has been a member of and led various teams, learning along the way that bringing people to the table and giving them a voice will create greater rewards.
