

Committee / Volunteer Application

Join an ACEC-SK Committee

Benefits:

- Exposure to emerging issues in the consulting industry
- Opportunity to influence outcomes of industry decisions or issues
- Opportunity to influence government policies
- Meet well-connected committee members
- Transition / introduction to further ACEC-SK involvement
- Elevate the profile of the consulting industry
- Mentoring relationships / peer support

Committees are the backbone of our association and contribute significantly to the success of ACEC-SK.
