ACEC-SK Community Initiatives Award

Purpose

The purpose of the Community Initiatives Award is to recognize the good philanthropic work being done in communities by Saskatchewan consulting engineering firms. This award is presented for a company's role in donating their time for the benefit of a community or group in Saskatchewan or elsewhere.

Eligibility

The selection criteria below are purposefully broad to not limit appropriate opportunities. ACEC-SK recognizes a company's role in: alleviating suffering, promoting social awareness, providing education, and providing work.

Eligibility Criteria Include:

1. Open to ACEC-SK Member Firms only; nominee is a company, not an individual.
2. Community initiatives must be ongoing or have been substantially completed **within the last five years**. The determination of 'substantially complete' will be at discretion of the submitter.
3. All nominations shall stand for a three (3) year period from the date first submitted.
4. Submissions involving non-ACEC-SK members are acceptable only if ACEC-SK members completed more than 50% of the community initiative.
5. Volunteer time cannot be part of a commissioned project.
6. Nomination should not include any contribution to a commissioned project, whether in or out of scope, where the organization benefiting from volunteer activities is compensating the engineering firm for its services.
7. Nomination is to identify what, if any, of the volunteer work was performed for a client organization (active or non-active). Note: An active client organization is defined by current contractual obligations for fee and non-active client organization indicates the firm has previously completed contractual obligations for fee.
8. Nomination submitted should not have been undertaken for marketing purposes.

Submission Requirements

1. Essay:

Please provide an essay of no more than 4 pages that outlines the company's role in the community initiative, identifying:

- which community/group has benefited
- how the relationship with the community/group began/continues
- what the goal of the community initiative was
- who in the organization contributed to the initiative and how
- what the outcome of the community initiative was
- what the benefit to the community/group was
- what the benefit of the nominee (company) was
- how many hours and dollars were committed to this initiative
